Now entering its 12th year, Sanibel Symposium

has become one of the largest cardiac multidisciplinary meetings in the world. We expect our attendance between on-site attendees and live webcast viewers to exceed 700.

Our team invites you to showcase your product(s) and demonstrate its value to the cardiac, perfusion, and surgical service lines at the 2023 Sanibel Symposium scheduled for Wednesday, May 10 to Saturday, May 13, 2023. We consider every corporation a valuable partner and therefore strive to provide your company with maximum exposure.

Please don't hesitate to call if you have any questions. Hope to see you there!
